- 1 **Darwin, Charles.** **EXTRACTS FROM LETTERS** addressed to Professor Henslow by C. Darwin, Esq. Read at a Meeting of the Cambridge Philosophical Society 16 November, 1835. A reprint of the original pamphlet dated Cambridge, Dec. 1, 1835. Privately Printed. 1960. First Edition (of this facsimile); pp. [vi], 34(last 3 blank); sewn in original wrappers; a very fine copy; scarce. [Cambridge; Cambridge Philosophical Society]; 1960. ****Freeman 4, being a reprint of Freeman 1. Letters from Darwin on the 'Beagle.'* #66366 **A\$150.00**

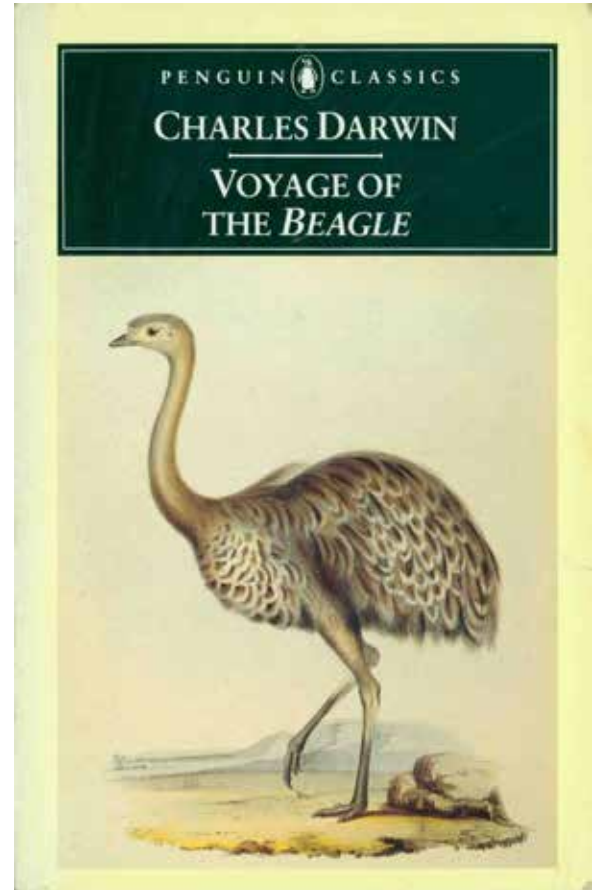

- 2 **Darwin, Charles.** **JOURNAL OF RESEARCHES INTO THE GEOLOGY AND NATURAL HISTORY** of the various countries visited by H. M. S. Beagle, by Charles Darwin (1839). Facsimile Reprint of the First Edition. Facsimile Edition; pp. [ii], xiv, 630, [609]-[616](index, last blank), [2] + 16 plates; endpaper map, frontispiece (profile plan of the *Beagle*), text map & 2 text illustrations, index; original quarter cloth, with patterned papered sides; a nice copy in worn dustwrapper; scarce in such condition. New York - London; Hafner Publishing Company; 1952]. ****Freeman 144, being a facsimile of Freeman 11 (Ferguson 2739), the second issue of Darwin's journal, the first as a stand-alone work, it having been published earlier in the same year as Volume III - 'Journal and Remarks', of the three-volume 'Narrative of the Surveying Voyages of His Majesty's Ships Adventure and Beagle'. This facsimile did not reproduce the two folding maps belonging to this volume but does include sixteen plates derived from other volumes in the original three-volume publication of the 'Voyages'. #66368* **A\$150.00**

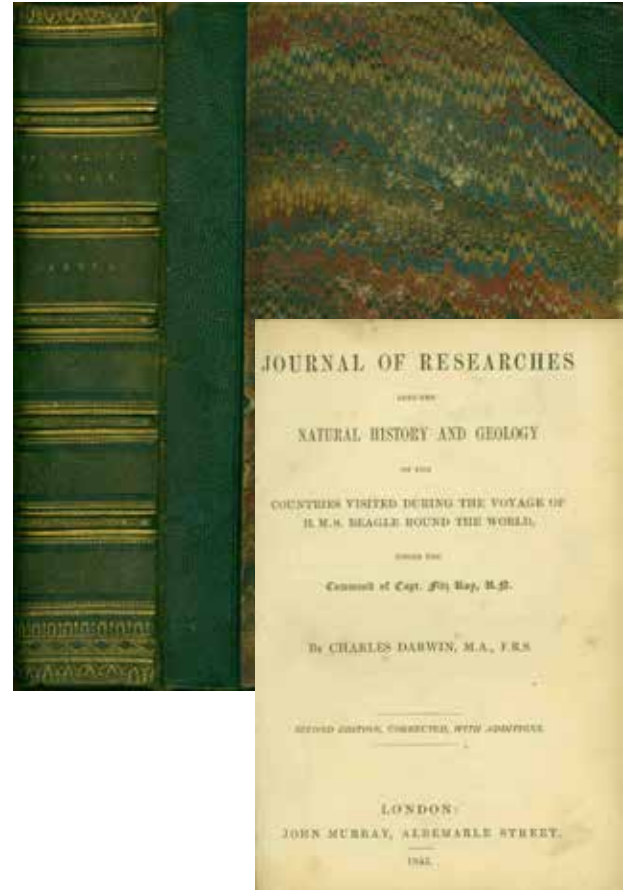

- 3 **Darwin, Charles. *JOURNAL OF RESEARCHES INTO THE GEOLOGY AND NATURAL HISTORY*** of the various countries visited by H. M. S. Beagle, under the Command of Captain FitzRoy, R.N. from 1832 to 1836. By Charles Darwin, Esq., M.A. F.R.S. Secretary to the Geological Society. London: Henry Colburn, Great Marlborough Street. 1839. [Reproduction of original title-page]. Facsimile Edition; pp. xiv, 630, [609]-[616](index, last blank); folding map of the southern portion of South America at Page xiv, and folding map of Keeling Islands at Page 532, text map & 2 text illustrations, index; original vinyl; a very good copy. [Bruxelles; Culture et Civilisation; 1969]. ****Freeman 161, being a facsimile of Freeman 11 (Ferguson 2739), the second issue of Darwin's narrative, the first as a stand-alone work, it having been published earlier in the same year as Volume III - 'Journal and Remarks', of the three-volume 'Narrative of the Surveying Voyages of His Majesty's Ships Adventure and Beagle'. As Freeman notes, this facsimile was made from a defective copy, and issued, at least initially, lacking signature 2Q (= pp. 593-608), however this copy has had the deficiency very skilfully remedied (possibly by the original publisher?) with the insertion of the missing leaves, so is a quite complete facsimile of the original edition.* #66367 **A\$165.00**

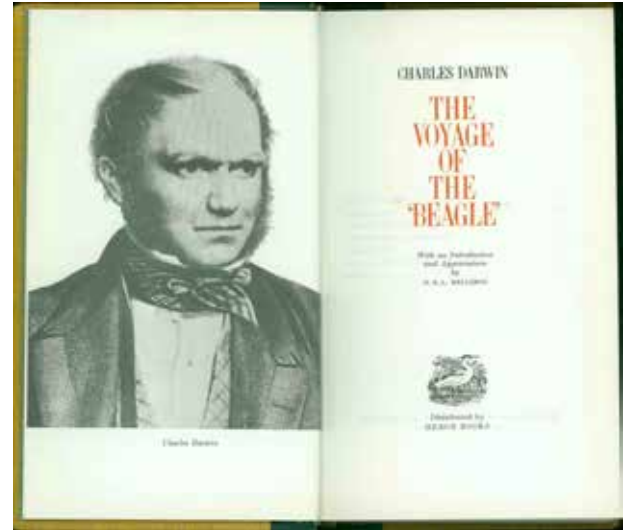

- 4 **Darwin, Charles. VOYAGE OF THE BEAGLE.** [By] Charles Darwin. Charles Darwin's Journal of Researches. Edited and Abridged with an introduction by Janet Browne and Michael Neve. Post 8vo, First Edition (in this form); pp. xii, 432, [4](adv.); reproduction of original title-page, 2 maps, 2 appendices, biographical guide; original stiff pictorial wrappers (slightly worn); a very good copy. London; Penguin Books; (1989). ****Abridged, with what seems like little justification, from the first edition of 1839; valuable however for the introduction (pp. 1-26) and for the two appendices which are taken from FitzRoy's account and contain the Admiralty instructions and FitzRoy's speculations on the deluge and other questions of religion versus science.* #66402 **A\$30.00**

- 5 Darwin, Charles. **JOURNAL OF RESEARCHES INTO THE NATURAL HISTORY AND GEOLOGY** of the Countries Visited during the Voyage of H.M.S. Beagle Round the World, under the Command of Capt. Fitz Roy, R.N. By Charles Darwin, M.A., F.R.S. Second Edition, corrected, with additions. Cr. 8vo, Second Edition; pp. viii, 519+[1](adv.); 14 text illustrations, index; a slightly trim copy in contemporary half morocco with marbled sides, edges & endpapers; (some minor foxing & soiling); a very good copy; very scarce. London; John Murray; 1845. ****Sabin 18647; Ferguson 4025; probably Freeman 14, but he does not note the words "corrected, with additions" on title-page (Ferguson does). In other respects it conforms and it cannot be Freeman 15, the final page carrying Smith, Elder, and Co. advertisements for the Zoology of the Voyage, and Geological Observations, and the title-verso carrying the Printer's note (see Freeman).* #66369 **A\$650.00**

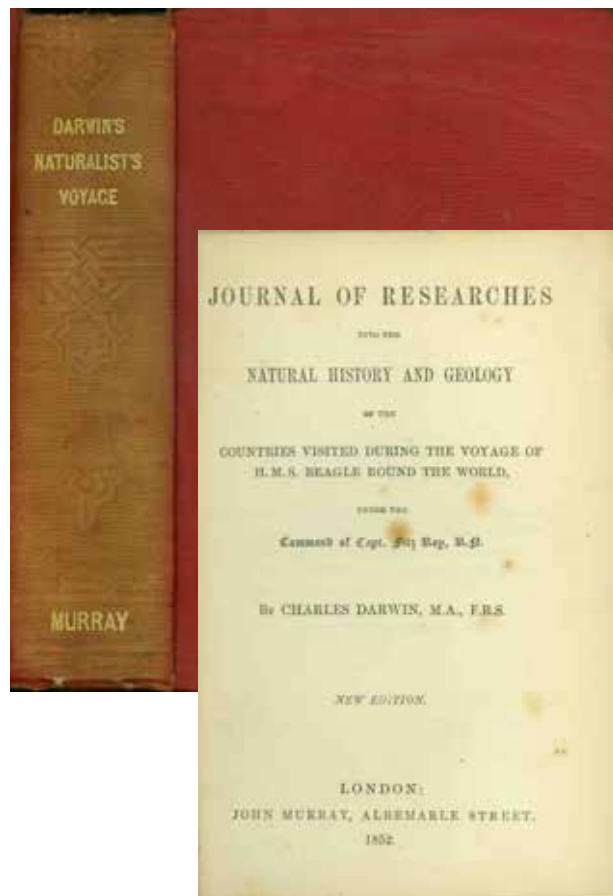

- 6 **Darwin, Charles. *THE VOYAGE OF THE 'BEAGLE'*** With an Introduction and Appreciation by H. E. L. Mellersh. Distributed by Heron Books. First Edition (in this form); pp. xxiv, 506, [507]-536(the "Appreciation"), 537-552(sources [2 pp.] & index, last modern colophon); portrait frontispiece, 15 plates (2 double-page) & 1 full-page illust. to Darwin's Journal, 15 plates to "Appreciation", several text illustrations, sources of illustrations, index; original artificial leather, gilt; a nice copy. (Geneva); Distributed by Heron Books (Edito-Service S. A.; 1968). ****Freeman 160. A complete facsimile of the second edition of 1845, with the addition of the plates (from the three-volume Narrative, the Zoology, and other sources) and the useful "Appreciation" by Mellersh. #66403* **A\$60.00**

- 7 **Darwin, Charles. JOURNAL OF RESEARCHES INTO THE NATURAL HISTORY AND GEOLOGY** of the Countries Visited during the Voyage of H.M.S. Beagle Round the World, under the Command of Capt. Fitz Roy, R.N. By Charles Darwin, M.A., F.R.S. New Edition. Cr. 8vo, Second Edition, reissued; pp. viii, 520(last blank); 14 text illustrations, index; original red cloth of Murray's Colonial & Home Library (spine a little faded), uncut; (slight foxing of edges & a few leaves; a slight crease to front board); a very nice copy; rare. London; John Murray; 1852. ****Sabin 18647 (third mention); Not in Ferguson; Freeman 17, but without the series title implied in his entry (and never present). The binding has the words 'MURRAY'S COLONIAL & HOME LIBRARY' in a circular design in blind on front cover, but only 'MURRAY' in gilt at foot of spine. Freeman's commentary (page 36) also suggests that the binding of his 17 is devoid of any identification of the series: "gives no indication, in gilt or blind, that the work is one of a series; in this case the edges are sprinkled whereas they are white in the series cases. It was again reprinted in the same series in 1852 and put out in the same case as the third issue [i.e. that referred to above], this time with changed date" This copy therefore may represent an unrecorded variant. #66370* **AS\$2000.00**

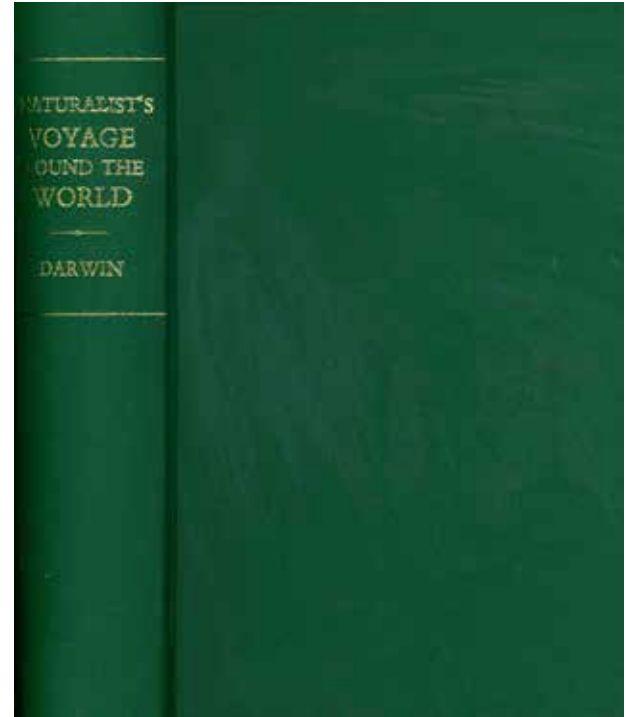

- 8 **Darwin, Charles.** **JOURNAL OF RESEARCHES INTO THE NATURAL HISTORY AND GEOLOGY** of the Countries Visited during the Voyage of H.M.S. Beagle Round the World, under the Command of Capt. Fitz Roy, R.N. By Charles Darwin, M.A., F.R.S. Author 'Origin of Species,' etc. Tenth Thousand. Cr. 8vo, Second Edition, reissued; pp. xvi(last blank), 520(last blank); 14 text illustrations, index; contemporary full calf, gilt, with marbled endpapers & edges and gilt dentelles; a very nice, most attractive copy; rare. London; John Murray; 1860. ****Not in Sabin; Not in Ferguson (except by reference - see Ferguson 8957); Freeman 20. The final definitive text, with the addition of a Postscript on Page vii (page viii blank) and the Contents (pp. ix-xv). The four Contents leaves are printed on creamier paper than that used for the earlier preliminaries and the main text (as with all other copies we have seen). Darwin made no further alterations or additions to the text, despite the many subsequent editions (a real gold mine for John Murray and later other publishers), Darwin having sold the copyright to Murray for £150. #2172*

Philip Gidley King, grandson of his namesake, Captain Philip Gidley King, Governor of New South Wales 1800-1806, became a prominent citizen in his own right, as a Member of the Legislative Council of his native New South Wales. This illustrated edition was no doubt issued in response to Nelson's edition first published in 1888, the first substantially illustrated edition (see items 36-38 below). #66379 A\$450.00*

- 32 **Darwin, Charles.** **JOURNAL OF RESEARCHES INTO THE NATURAL HISTORY AND GEOLOGY** of the Countries Visited during the Voyage of H.M.S. "Beagle" Round the World. With a Biographical Introduction. Cr. 8vo; pp. 492, [12](adv.); 16 plates, over 30 text illustrations (including maps), index; original blue cloth, decorated in gilt and blind; a nice copy; scarce. London; Ward, Lock & Co., Limited; N.D. [c. 1906]. ****Freeman 111 (?), a volume in the Minerva Library, New Series, but not explicitly identified as such. The first leaf of the advertisements describes "The Minerva Library (New Series.) Large Crown 8vo, art linen, extra gilt, fully illustrated, 2s." and Volume II in the series is this work. This volume however has a variant binding, and the three-quarter portrait of Darwin in the regular series has been replaced by a portrait of Darwin standing from the painting by Sir J. Collier in the National Portrait Gallery. We hazard a guess that this is a somewhat later publication (concurring with Freeman). The biographical introduction is by G. T. Bettany.* #66390 **A\$160.00**

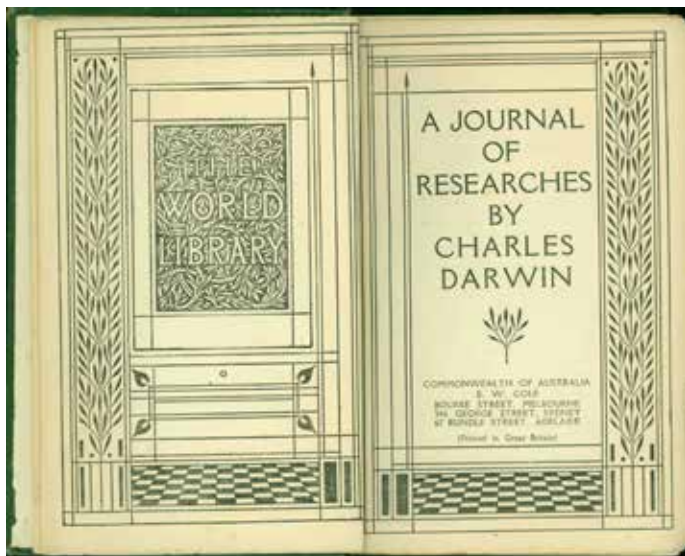

- 33 Darwin, Charles. **JOURNAL OF RESEARCHES INTO THE NATURAL HISTORY AND GEOLOGY** of the Countries Visited during the Voyage of H.M.S. "Beagle" Round the World. With a Biographical Introduction. London; Ward, Lock & Co., Limited; N.D. [c. 1906]. ****Freeman 111 (?) with the frontispiece portrait of Darwin standing from the painting by Sir J. Collier in the National Portrait Gallery. The paper is rather soft and spongy in comparison to another copy we have seen in original binding with the same portrait (see preceding item). The biographical introduction is by G. T. Bettany.* #66391 **A\$85.00**

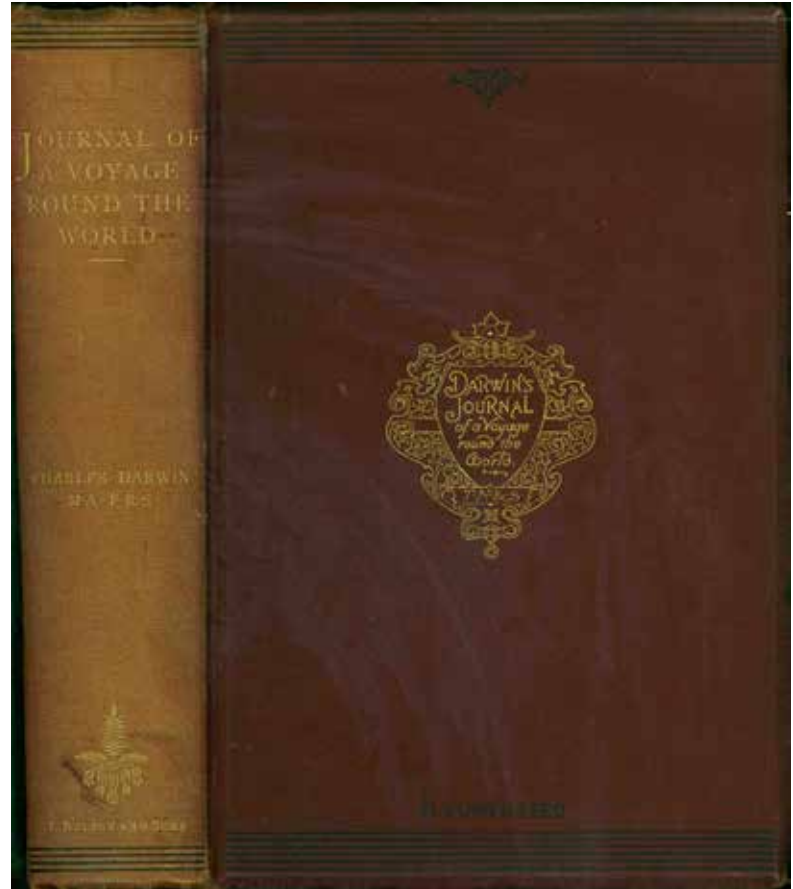

- 34 **Darwin, Charles. *A JOURNAL OF RESEARCHES BY CHARLES DARWIN.*** London Melbourne & Toronto. Ward Lock & Co Limited. 1910. F'cap 8vo; pp. [ii], 18, [23]-492; over 30 text illustrations (including maps), index; original green cloth, decorated in gilt and blind; (some minor internal soiling and signs of use); a very good copy; scarce. London; Ward Lock & Co Limited; 1910. ****ANB 12157; Freeman 121; the plates in the earlier editions are omitted, but the biographical introduction by G. T. Bettany is included. It is a little unclear whether the missing pages 19-22 are a fault of this copy or a deliberate omission by the publisher as they comprise the Contents with the list of plates on page 22.* #66395 **A\$25.00**
