In two volumes, illustrated by plates, charts and wood-cuts. Vol. I [Vol. II]. London: John Murray, Albemarle-street. MDCCCXXVII. 2 vols., First Edition; Vol. I, pp. [ii] (half-title, verso blank), [iv](title-page, verso colophon & dedication, verso blank), [v]-xl(last blank), 452; folding chart, 7 plates, 5 wood-cuts in text (including title-vignette), Errata slip (at page 1); Vol. II, pp. viii, 638(last blank); folding chart, 6 plates (1 folding), 3 wood-cuts in text (including title-vignette), Errata slip (at page 1), 13 appendices (10 on meteorology, & navigation & geography), also list and description of natural history objects collected, geology & native languages; entirely uncut in early twentieth-century hard-grained morocco, with papered sides & marbled endpapers; (some foxing to plates of second volume & to margins only of some text leaves of both volumes); a very good, attractive set; rare. Inserted before the half-title in Volume I is an unrelated 16-page publisher's catalogue from Longman, Rees, Orme, Brown, & Green, dated January 1827. This is the second issue of this work, as usually found, with the cancel title-pages. A very few copies were issued with the date 1826; these are of the greatest rarity. The work is of great importance: Phillip Parker King (the son of Governor Philip Gidley King) was born at Norfolk Island, and became one of Britain's leading hydrographers. His work considerably furthered the geographical knowledge of the Australian coasts. His charts were very accurate and his extensions and additions to those of Flinders on the Northern and Western coasts of Australia were for many years in practical use by the Admiralty (well into the twentieth century). He was made a Fellow of the Royal Society in 1824.* #43380 **A\$6500.00**

If you would like to receive future lists please indicate your interests by email (preferred) or by using the form below by fax or post. If you would like to receive ALL lists (email only) please let us know also. If for any reason you do not wish to receive any more of these lists, also please let us know and we will cease and desist.

We have experimented with a number of forms for emailing orders to us but many security systems now prevent such links from working correctly so we suggest simply emailing us at: books@GastonRenard.com and copying and pasting the entries of the items you want from the list above.
