Volumes I and IX in Series I are the 1971 reprints (as usual); the remainder are all the original printings. THIS COLLECTION IS AN INDISPENSABLE REFERENCE FOR THE SERIOUS STUDENT OF AUSTRALIAN HISTORY. It has been fully collated in detail, and is quite complete and in good order, but for the following trifling faults to Series I & III: In Series I, Volume II has the margins to the Introduction trimmed rather close with the slight loss of the ends of lines on two pages; Volume VI has one 16-page section repeated with nothing omitted; Volume IX has 16 pages offset with slight loss of clarity, but still quite legible; Volume XIII has half-title & title-page slightly creased; Volume XIV has an original paper flaw to pp. 227/8 with loss of a few letters; in Series III, Volume II lacks pp. xvii-xxiv but these pages are supplied in good facsimile, as are copies of the few slightly defective pages to Series I mentioned above. These sets are probably rarely collated and few*

*sets are likely to be absolutely without fault, but as stated above this set has been checked in detail and the few defects made good. Full collations are available on request. Series III was resumed in 1997 with the publication of Volume VII, covering despatches and papers relating to Van Diemen's Land in 1828; this is now out of print. Volumes VIII (\$400), IX (\$200) and X (\$200) have also been published by Melbourne University Press and can be obtained to order. [with]*

## NOTICE TO CUSTOMERS:

This is our two hundred and seventeenth short list. We hope you find something of interest.

We intend to produce many more lists in future on a variety of subjects and we would prefer where possible to send these by email as PDF file attachments or links to files on our Website. This has the obvious advantage of reducing costs and enhancing the speed of delivery and the email/PDF versions will also be enhanced with colour illustrations. A fully illustrated version of this list in pdf format is also available on our website or will be emailed on request. Likewise we encourage you to send orders by email, fax or telephone.

If you would like to receive future lists please indicate your interests by email (preferred) or by using the form below by fax or post. If you would like to receive ALL lists (email only) please let us know also. If for any reason you do not wish to receive any more of these lists, also please let us know and we will cease and desist.

We have experimented with a number of forms for emailing orders to us but many security systems now prevent such links from working correctly so we suggest simply emailing us at: [books@GastonRenard.com](mailto:books@GastonRenard.com) and copying and pasting the entries of the items you want from the list above. If you encounter any difficulties, please let us know! For orders by fax or by post please use the Order Form at end.
