We intend to produce many more lists in future on a variety of subjects and we would prefer where possible to send these by email as PDF file attachments or links to files on our Website. If you would like to receive future lists please indicate your interests by email (preferred) or by using the form below by fax or post. If you would like to receive ALL lists (email only) please let us know also. If for any reason you do not wish to receive any more of these lists, also please let us know and we will cease and desist.

We have experimented with a number of forms for emailing orders to us but many security systems now prevent such links from working correctly so we suggest simply emailing us at: books@GastonRenard.com and copying and pasting the entries of the items you want from the list above.
