London; Ridgway and Sons; 1831. *\*\*\*Ferguson 1473 (5 copies only). There are currently only ten copies listed in Australian libraries and two in the U.K. The book was reissued in the following year: this is equally rare. It is the foundation book for the colony of South Australia, containing proposals for the foundation of that colony along the lines propounded by Edward Gibbon Wakefield in 1829. The new colony is proposed for the area between 132 degrees and 141 degrees East on the south coast of Australia, together with the Islands on the coast and the work includes a brief historical account of Flinders' explorations followed by a detailed survey of the configuration and productive capacity of the country taken from information provided by Flinders, Baudin and King, together with reasoned speculations on the possibility of exports of various commodities from the proposed settlement, with comparisons of the situation at Hobart Town, Sydney, the failed settlement at Swan River and various places even further afield such as Virginia. The eight-page appendix is important in its own right, comprising the report of a sealing expedition in the Brig Governor Macquarrie made in 1819: "Report of a Voyage from Sydney to Kangaroo Island and of Observations made during a stay of seven months on, and near the island, by Captain Sutherland, who in the year 1819 was employed by some merchants of Sydney to command a vessel of 140 tons, expressly fitted out for the purpose of obtaining a cargo of salt and seal skins from Kangaroo Island. Captain Sutherland has been engaged for many years in the trade between England and New Holland, and lately commanded the ship Lang. He is now in London. Oct. 4th, 1831." This is amongst the earliest extended accounts of sealing activities on the south coast of Australia. #17230* **AS\$12,500.00**

If you would like to receive future lists please indicate your interests by email (preferred) or by using the form below by fax or post. If you would like to receive ALL lists (email only) please let us know also. If for any reason you do not wish to receive any more of these lists, also please let us know and we will cease and desist. We have experimented with a number of forms for emailing orders to us but many security systems now prevent such links from working correctly so we suggest simply emailing us at: [books@GastonRenard.com](mailto:books@GastonRenard.com) and copying and pasting the entries of the items you want from the list above.
