- 57 **Simpson, J[ohn] A. and Weiner, E[dmund] S. C.:** Prepared by. **THE OXFORD ENGLISH DICTIONARY. SECOND EDITION.** 20 vols., med. 4to, Second Edition, Second Impression; pp. in total 14,516 (including 220 pages of preliminaries at the beginnings and 30 blanks at the ends of various volumes); Preface, Introduction, General Explanations, History of the OED, Key to Conventions, Key to Pronunciation, List of Abbreviations, Signs, etc., and Note on Proprietary Names in lxviii preliminary pages of Volume I; 144-page bibliography at the end of Volume XX; original cloth; a fine set in dustwrappers. Oxford: Oxford University Press; 1991. *\*\*\*First published in 1989, reprinted, with corrections 1991. A monumental work, the first complete revision since the first edition of 1884-1928 and an essential reference to the English language.* **FROM THE PUBLISHER:** *The Oxford English Dictionary is the ultimate authority on the usage and meaning of English words and phrases, and a fascinating guide to the evolution of our language. It traces the usage, meaning and history of words from 1150 AD to the present day. No dictionary of any language approaches the OED in thoroughness, authority, and wealth of linguistic information. The OED defines over half a million words, and includes almost 2.4 million illustrative quotations, providing an invaluable record of English throughout the centuries. The 20-volume Oxford English Dictionary is the accepted authority on the evolution of the English language over the last millennium. It is an unsurpassed guide to the meaning, history, and pronunciation of over half a million words, both present and past. The OED has a unique historical focus. Accompanying each definition is a chronologically arranged group of quotations that trace the usage of words, and show the contexts in which they can be used. The quotations are drawn from a huge variety of international sources literary, scholarly, technical, popular and represent authors as disparate as Geoffrey Chaucer and Erica Jong, William Shakespeare and Raymond Chandler, Charles Darwin and John Le Carre. In all, nearly 2.5 million quotations can be found in the OED. Other features distinguishing the entries in the Dictionary are authoritative definitions of over 500,000 words; detailed information on pronunciation using the International Phonetic Alphabet; listings of variant spellings used throughout each word's history; extensive treatment of etymology; and details of area of usage and of any regional characteristics (including geographical origins).* #24775

58 [Stevenson, Angus; Editor]. **SHORTER OXFORD ENGLISH DICTIONARY** on Historical Principles. 2 vols., demy 4to, Sixth Edition; Vol. I, pp. xviii, 1882, [2](blank); Brief History of English by David Crystal, List of Abbreviations and Symbols, Pronunciation Guide, Transliteration Guide; Vol. II, pp. x, [1883]-3744(last blank); Authors and publications quoted, References to the Bible and Shakespeare; original papered boards; a fine set in dustwrappers. (Oxford); Oxford University Press; (2007). *\*\*\*The English language has changed rapidly in the five years since the fifth edition of 2002, and some 2,500 new entries have been added for words and phrases.*

**FROM THE PUBLISHER'S WEBSITE:** *From the beginning, the Shorter Oxford English Dictionary was intended to be an abridgement of the full Oxford English Dictionary. The first editor, William Little, was appointed in 1902. He worked on it until his death in 1922, after which the dictionary was completed by H. W. Fowler, Jessie Coulson, and C. T. Onions. The First Edition was published in 1933, in two volumes. The Second Edition, published in 1936, contained about 3,000 revisions and additions. The Third Edition (1944) contained an appendix of addenda and corrigenda, and this edition was reprinted several times with corrections and additions, the most significant being in 1973, with enlarged addenda (now running to over 70 pages) and a major revision of all the etymologies. The New Shorter was prepared under the editorship of Lesley Brown 1980-1993. It was the first complete revision of the dictionary, being in fact not so much an overhaul of the existing text as a reabridgement of the OED and its Supplements. The Fifth Edition was published in 2002, and reverted to the name Shorter Oxford English Dictionary to emphasize the link between this 2-volume dictionary and the original 20-volume OED. The Sixth Edition [this work] of the Shorter Oxford English Dictionary provides a complete update of this unique reference work. Based on the 20-volume Oxford English Dictionary, the Shorter Oxford English Dictionary contains an incredible one-third of the coverage of the Oxford English Dictionary, is just one-tenth of the size, and includes all words in current English from 1700 to the present day, plus the vocabulary of Shakespeare, the Bible and other major works in English from before 1700. The new edition, with a new introductory essay by language expert David Crystal on the History of English, includes 2,500 new words and senses, plus thousands of antedatings of existing words, drawing on the huge ongoing research project for the Oxford English Dictionary and the wealth of information on language in use provided by the Oxford English Corpus. In addition, the work includes many new quotations from recent authors, a refreshed design, and a complete review of spelling forms and defining vocabulary, making it the most authoritative reference work available for both modern and historical English. For scholars and everyone with a serious interest in the English language, the Shorter Oxford English Dictionary is an unrivalled resource, providing a unique description of the historical development of the language together with excellent coverage of current English. The Sixth Edition showcases the best of the traditional strengths of the Shorter Oxford English Dictionary, while bringing it up to date in its scholarship and research, in the design and layout, and in its treatment of the changing face of English.* #68034

## NOTICE TO CUSTOMERS:

This is our two hundred and seventy-seventh short list. We hope you find something of interest.

We intend to produce many more lists in future on a variety of subjects and we would prefer where possible to send these by email as PDF file attachments or links to files on our Website. This has the obvious advantage of reducing costs and enhancing the speed of delivery and the email/PDF versions will also be enhanced with colour illustrations. A fully illustrated version of this list in pdf format is also available on our website or will be emailed on request. Likewise we encourage you to send orders by email, fax or telephone.

If you would like to receive future lists please indicate your interests by email (preferred) or by using the form below by fax or post. If you would like to receive ALL lists (email only) please let us know also. If for any reason you do not wish to receive any more of these lists, also please let us know and we will cease and desist. We have experimented with a number of forms for emailing orders to us but many security systems now prevent such links from working correctly so we suggest simply emailing us at: [books@GastonRenard.com](mailto:books@GastonRenard.com) and copying and pasting the entries of the items you want from the list above. If you encounter any difficulties, please let us know! For orders by fax or by post please use the Order Form at end.
